Rick & Neil,

Sorry I missed you earlier. I think it makes sense to have John on the phone when we discuss the custodian list since he is the drafter. John is tied up today so why don't we shoot for tomorrow. I am available all morning. Thanks.

Lauren

Hi Lauren -

The custodian list is attached and there have been no changes to it. Neil indicated during the redline process for the 10-15-10 letter that the directs would amend and

send back any changes. Unfortunately, I'm really swamped with another deadline today, so if you want to follow up regarding this list before tomorrow, of course feel free and I will help the best I can.

Thanks,

John

All --

Please see attached a proposed custodian list and updated reference chart to stimulate review/comments/questions in preparation for the next meet and confer with Philips. On the chart, yellow highlights represent Philips custodians, and green LPD.

The list is intended to help Philips identify an initial set of documents responsive to plaintiffs' document requests related to non-transactional conspiracy-related information. It is not intended to cover documents such as pricing reports, business plans, annual reports and transactional data, for which Philips is also responsible.

At a minimum, the custodian list is designed to lead toward the files of:

Joe:

I write to confirm that we will be visiting Eindhoven the week of October 4 to inspect the JV Data Room. Please let us know where we need to go and the name & contact details of the Philips employee that we will be dealing with. Thank you.

We would also like to schedule another meet and confer call to discuss some of the issues raised by Ethan Litwin's July 13, 2010 letter and attachments. Please

let us know your availability this week. I have attached a copy of Ethan's letter for ease of reference, but we will also send you a proposed agenda for the call closer to the time.

Best regards,

Lauren
